RIGHT START 4 KIDS® (RS4K) FROM DELTA DENTAL OF COLORADO is a unique plan design enhancement that removes most of the cost barriers to dental care by providing coverage for children up to their 13th birthday at 100% coinsurance for diagnostic & preventive, basic, and major services, with no deductible, when in-network providers are seen.* If an out-of-network provider is seen, the adult coinsurance levels will apply. Orthodontic services are available but are not eligible for the RS4K 100% coverage level. Right Start 4 Kids is subject to limitations, exclusions, and annual maximum. Check your benefits booklet for specific plan coverage as it varies from group to group.

You are enrolled in a Delta Dental PPO plus Premier plan. You and your family members may visit any licensed provider, but you will receive the greatest out-of-pocket savings if you see a Delta Dental PPO provider.

PPO Provider – Payment is based on the PPO provider's allowable fee, or the actual fee charged, whichever is less.

Premier Provider – Payment is based on the Premier Maximum Plan Allowance (MPA), or the fee actually charged, whichever is less.

Non-Participating Provider – Payment is based on the non-participating Maximum Plan Allowance. Members are responsible for the difference between the non-participating MPA and the full fee charged by the provider (balance-billing). You will receive the best benefit by choosing a PPO provider.

Open enrollment applies. Members may add coverage once per year.

This is a brief description of services covered under the dental plan. Please refer to the employee benefit booklet for full plan details. If differences exist between this summary and the employee benefit booklet, the employee benefit booklet will govern.
